## Il "LACCATO ECOLOGICO"

ricavato dalla massa colorata e pressata in finitura perla che conferisce al mobile la sensazione tattile e ottica del verniciato, aumentandone la resistenza all'uso e al graffio, senza l'utilizzo di vernici ma in maniera del tutto naturale.

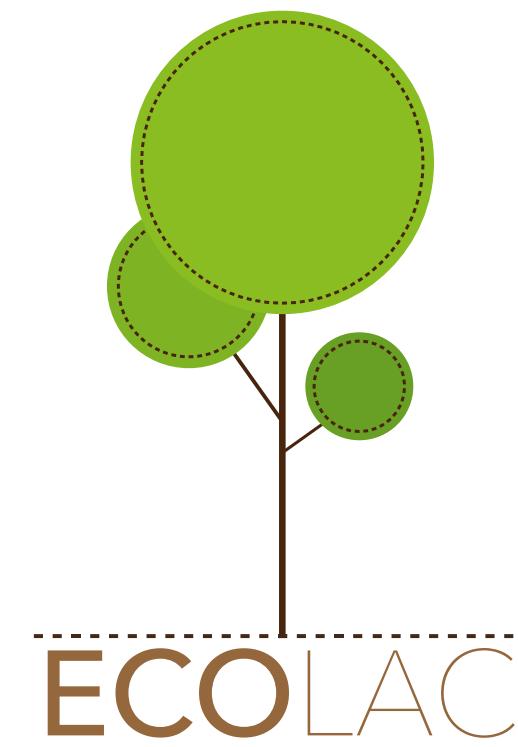

### The "ECOLOGIC-LACQUERED"

obtained from the mass of colour and pressed in pearl finish that gives it the texture tactile and optical coated with a surface more resistant without bringing home paint.

La laque est écologique dérivée de la masse de couleur et pressé dans la finition perle qui donne à l'armoire la sensation tactile et optique du laqué, augmentant sa résistance à l'usure et aux rayures, sans l'utilisation de vernis mais d'une manière tout à fait naturelle.
